

COVID-19 Level 3 update 06/05/2020

Due to circumstances around COVID-19, our reception is now open from 9am to 3.30pm to walk in customers & phone calls, we would prefer if you called to book a time to drop off your item for servicing before coming to the office if possible. You can also contact us via email, web enquiry or Facebook message any time to make enquiries or a booking. We are also doing some contactless onsite jobs where possible.

If you have any queries, please contact us:
